

THE SPLENDID AND THE VILE BY ERIK LARSON

Chappelle Gardens Book Club Review:

Larson turns his attention to Winston Churchill's first year as Prime Minister, when Hitler was leading a devastating blitzkrieg against the UK. Our book club was pleasantly surprised at their enjoyment of this book, the history and way Erik Larson compiled so many different perspectives.

“ Proves a gripping tale of Churchill’s first year as Prime Minister”

“Focus on Churchill’s family and their perspectives“

“ Vivid picture of Churchill’s personality which was intense and erratic“

WE GAVE THIS BOOK 4.5 OUT OF 5 STARS
