

## Changes to The GÜD Box

### How is it different?

- There will no longer be pick ups at a central location, for your convenience all boxes will be delivered to your home or place of your choosing.
- Delivery is next day, 7 days a week. Cut off is 4 pm each day.
- Delivery is free for the first month, then it is \$5.99
- There is an option to purchase with a subscription at the frequency you desire, no more forgetting cut offs and missing the box! You will be charged for each individual box the day before you receive it and can cancel the subscription at any time.
- There is an option to add items to your set box from a catalog of affordable produce.
- The site will look different with a different logo, but we are the same people working at the same place to get more fruits and vegetables out to Edmonton at a great price!

### How is it the same?

- Same amount of fresh affordable, a mixture of seasonal items and staples for the same price. (\$30) Which is approximately 35% savings over the leading grocery store.
- Same proceeds go back to the organization of your choice.
- The box is still curated by The GÜD Box to be the best deal of staples and seasonal items. For affordability sake the contents of the box cant be changed, but you can now add items on top of the set box if you like.

### How do I order?

- Before 4 pm the day before you would like to receive your order follow the link for your organization or go to [www.thegüdbox.ca](http://www.thegüdbox.ca) and choose fundraising from the top menu. The delivery date will show in the top left corner.
- If you don't place your order before 4 pm then your order will be delivered in two days time.
- Choose the amount of boxes you would like and then choose the organization you would like to support.
- Proceed with the checkout process.

### How will delivery work?

- You will receive messages on your choice of email or text confirming your order and delivery date.
- Watch for a message from FreshPath, that's our company that does the delivery. We will let you know your order is on the way within a certain time frame, and then you will receive another message when your order is approximately a half hour away.
